COOKIES POLICY
<rpm-mktg.es>

This cookie policy (hereinafter, the "Cookies Policy") is an integral part of the Legal Notice and the Data Protection Policy of the rpm-mktg.es (hereinafter, the "Website"). The access and navigation on the Website, or the use of its services, implies acceptance of the terms and conditions set out in the Legal Notice and the Data Protection Policy.

In order to facilitate your browsing the Website rpm-mktg.es, owned by RPM Racing SLU of Gran Vía 8-10, 6th Floor, L'Hospitalet de Llobregat, 08902 (Barcelona) - Spain and with CIF nº B61514360 (hereinafter, the "Provider"), this communicates that it uses Cookies or other files of similar functionality (hereinafter, the "Cookies").

In any case, we inform you that the Provider is responsible for the Cookies and the treatment of the data obtained through their own and third party Cookies, deciding on the purpose, content and use of the treatment of the information collected.

What is a Cookie?

Cookies are files that contain small amounts of information that are downloaded to the user's device when they visit a web page. Its main purpose is to recognize the user each time he accesses the Website, also allowing to improve the quality and offer a better use of the Website.

Cookies are essential for the operation of the Internet; they do not damage the user's equipment/device and, if they are activated in the configuration of their browser, they help identify and resolve possible errors in the operation of the Website.

By using this Website you consent to the processing of your information by the Provider in the manner and for the purposes indicated above.

Use of Cookies by the Provider

By accessing the Website, you expressly accept the use of this type of Cookies on your devices. If you disable Cookies, your navigation on the Website may not be optimal and some of the utilities available on the Website may not work properly.

Specifically, the Provider is using Cookies for the purposes set out below. If in the future the Provider uses others for the purposes of granting more and better services, the user will be informed of it.

By using this Website, you consent to the processing of your information in the manner and for the purposes indicated above.

Technical cookies

Cookies are those that allow the user to navigate through the Website and the use of different options or services that exist in it.

Analytical cookies

Are those Cookies used for the purpose of analyzing the use made by users of the Website. The information generated by the Cookie (including the IP address) will be directly transmitted and archived. This information will be used on behalf of the Provider in order to track the use of the Website, compiling the activity of the Website and providing other services related to the activity of the Website and the use of the Internet. In addition, this type of Cookies facilitates the analysis of the creation of user accounts.

ANALYTICAL COOKIES		
Name	Purpose	Duration
cookieLSSlrpm	This cookie is used to check if user has approved cookies policy in the website	At the end of user session

Google Analytics cookies

The Provider, through the Website, uses Google Analytics, service provided by Google, Inc., entity whose main office is at 1600 Amphitheater Parkway, Mountain View (California), CA 94043, United States (hereinafter, "Google").

Google Analytics uses Cookies with the purpose of analyzing the use made by users of the Website. The information generated by the Cookie (including the IP address) will be directly transmitted and archived by Google on its servers in the United States. Google will use this information on behalf of the Provider in order to track the use of the Website, compiling the activity of the Website and providing other services related to the activity of the Website and the use of the Internet. Google may transmit said information to third parties when required by law, or when said third parties process the information on behalf of Google. Google will not associate your IP address with no other information available.

COOKIES GOOGLE ANALÍTICAS		
Nombre	Propósito	Duración
_ga _gid _gat	Analysis cookie that allows to distinguish and quantify the number of users and perform measurement and statistical analysis. In addition, it uses an anonymous identifier to distinguish anonymous users and perform analyzes on the interactions of users in the application in order to optimize the services offered. They work together.	Persistent Cookies: _ga (2 years) Temporary Cookies: _gid (1 day) _gat (10 minutes)
